A word from the President...

Another fantastic Trans Am Nationals goes into the record books. What a great weekend! Other than a couple blistering hot days, our weather was near perfect. No rain, except for the soaking I got on the way up on Thursday morning. We had another 500+ year for registrations. Something we haven't seen in many years, prior to last

year. It's becoming a bit of a logistical challenge, but we are loving it! See pages 4 & 5 for some stat's and great comments received from our participants. The next Club event will be our participation in the 2024 Cavalcade of Customs in Cincinnati on the 12th - 14th of January. Next club meeting is November 5th. Hope to see you there!
-Jerry

Trans Am Nationals

I want to thank all of our volunteers that helped make this years show another great success. There are only a couple dozen of us that can regularly attend the meetings throughout the year. Having members all over the country makes it challenging, however, out of state members and friends always step up at the show. We had a total of 73 on the worker list, not including our hired security! A few of them were not even members of the Club. That's what it takes to run a well organized event like ours. It makes my job a lot less stressful knowing I have such a great group of volunteers! With the 2023 Nationals complete, now it's time to start planning the 2024 show.

- The Producer shall have final authority to determine the locations of an Exhibitor's display within the show and the Exhibitor's compliance with the aforesaid rules, regulations and policies.
