A word from the President...

By now you should have dusted off those rides and hit at least one cruise in or show. It's car show season people! I was having some trouble sending mass emails, so the announcement of the last newsletter and meeting probably did not get to you. I do update the Club website with each release, so you can always check there. I believe the email issue has now been resolved, so you should get the notice for this issue. A hard copy of the July/August issue will be mailed and posted on the website the beginning of July. Although we do not have any specific shows that we attend as a group during the season, I would be happy to help get one together if you have something in mind. With the help of Amanda, we hope to get the Club Facebook page refreshed and have it be a useful tool for Club members... stay tuned. Be safe out there and have some fun as the weather gets warmer!

Secretary's Report - 5/3/2026

Jerry presided over the meeting with 15 attending. Cheryl said membership is at 118. Jerry will check on problem with emails. Cheryl said registration is at 177, Tipp 116, Concours 8, Best in Class 13 and vendors 9. The club chose the design and colors for the ink pens and key chains. Cheryl will check on availability of tumblers. The \$20 sale price will remain the same as last year. No update report on Mini-Nats, Special Wish or speakers. Mark said 3 tents have been ordered. Three people from Norwood that worked on the Firebird line will be at the show for the seminars. The design for this year's trophies was decided. TJ called in via Google Meet and went over the judging system with the group. Next meeting is July 12th.

Trans Am Nationals

We decided on trophy design at the May meeting, so trophies will be ordered within the next couple of weeks. We also picked out pens and keychains to finish our orders for registration goodies. Our old supplier for tumblers has gone up to \$20, so we decided to go with a different company. They are under the \$20 mark, so we can keep our selling price of \$20 and not have to raise it again this year. There will be a change in our security company for the weekend. Wright State no longer contracts with the company we've been using the last several years. We will use the Wright State Police again for the night shifts at the Nutter Center. TJ continues to work on a new electronic judging system. This should help streamline the judging process. Scores will be calculated quicker and reduce the possibility of errors. We will be testing the system in the coming weeks and plan to implement it this year. Be on the lookout for my volunteer email... coming very soon!
